## Pearl Pathways Hires Mark Killion

*Killion's expertise in sales and startups will enable a growing life sciences company to expand in the future.*

INDIANAPOLIS, INDIANA –July 10, 2013- Pearl Pathways announces the recent hiring of Mark Killion as their Business Development Director. Killion is an experienced business development talent in the life science industry, boasting an impressive sales portfolio throughout his career. He has built a wide range of therapeutic area expertise across both biopharma and device companies. He is a proven sales leader with additional skills in training, managed care, staffing, and marketing.

Diana Caldwell, President and CEO shares "We are proud to have Mark join the Pearl Pathways' team. His depth and breadth of diverse sales leadership roles will impact the company immediately and increase the value we bring to our clients." In addition to sales, Killion's responsibilities will include the development of business and marketing strategies as well as the management of potential and current clients.

### About Pearl Pathways

**Pearl Pathways** is a comprehensive life science product development services company. Our experienced team is obsessed with expediting life science product development regulatory pathways. We have three business units to serve you:

**Pearl IRB** is a full service commercial Independent Review Board that provides human research IRB reviews, IRB exemptions and waivers, and also offers support for research protocol/ICF medical writing, site assessments, and monitoring services.

**Pearl ReGXP** is a regulatory and quality compliance consulting practice that
