

Pearl Pathways to partner with regulatory and quality services firm Brandwood Biomedical

Pearl Pathways and Brandwood Biomedical join forces to increase global footprint for clients

INDIANAPOLIS, INDIANA – December 5, 2014 – Pearl Pathways today announced a partnership with Brandwood Biomedical, an Australia-headquartered regulatory and quality services company with offices throughout Asia.

This collaboration allows both companies to provide on-the-ground support to clients and better adapt to the changes and complexities associated with global markets.

“For Brandwood Biomedical, the partnership provides a seamless way to serve its clients across multiple continents,” said Brandwood Founder and CEO, Arthur Brandwood. “Pearl Pathways has a stellar reputation and we’re delighted to share their strong presence in the United States.”

“Brandwood Biomedical fits our philosophy, shares our customer service values and, like us, serves a diverse mix of small startups to large multinationals,” explains Diana Caldwell, president and CEO of Pearl Pathways. “Pearl Pathways will continue to lead our client engagement and Brandwood’s expert staff will provide local support throughout the Asia-Pacific region.”

[The Asia-Pacific Summit for Medical Devices \(San Diego, March 2015\)](#)

Pearl Pathways and Brandwood Biomedical are hosting The Asia-Pacific Summit for Medical Devices, a two-day intensive seminar on medical device regulations featuring a variety of local experts from Asia-Pacific.

The event will be held on March 5 and 6 at the beautiful Hilton San Diego Mission Valley Hotel. [Register before December 31](#) to enjoy the lowest early bird pricing.

About Brandwood Biomedical

Brandwood Biomedical provides technical, regulatory and commercial advisory services to support the whole product life cycle in medical devices and in vitro diagnostics. Brandwood supports regulatory approval and market access in global markets, with expertise in North American, European, Australian and Asian markets.

About Pearl Pathways

Pearl Pathways is a comprehensive life science product development services company. Our experienced team is obsessed with expediting life science product development regulatory pathways. We have three business units to serve you:

Pearl IRB is a full service commercial Independent Review Board that provides human research IRB reviews, IRB exemptions and waivers, and also offers support for research protocol/ICF medical writing, site assessments, and monitoring services.

Pearl ReGXP is a regulatory and quality compliance consulting practice that provides regulatory filing guidance, conducts global health authority negotiations, develops/improves quality systems, and delivers GMP/GLP/GCP auditing services.

Pearl IDEAS provides strategic product development assistance, third party vendor selection and management strategies, due diligence services, and sales and marketing services for drug, biologic and device companies.

Pearl Pathways is located in Indianapolis, Indiana, and is a WBENC-certified woman owned business.
